Understanding your first month's bill

OneSource, like most other communications and cable TV companies, bills for services one month in advance. Your first bill has charges from the day you were connected until the date printed on the top of the bill. It also includes the next full-month's service. For example, if your bill date is the 5th of the month and your service was connected on 7/29, you would be billed from 7/29 through 8/4. Recurring charges would be from 8/5 through 9/4. Therefore, the amount due would include charges from 7/29 through 9/4. Applicable installation fees will also be reflected on this bill. If you have any questions about your bill, please call our Customer Service Department at 817-745-3000 or toll free at 1-877-210-3007.

Thank you for choosing OneSource Communications!
